Monte's Letter

Hello,

There are so many things going on in this world that we live in today. In fact, some of these things keep us so busy that I think sometimes we forget that there is a spiritual battle going on all around us. It is time to suit up, get your armor on and go into battle. God is on our side!! Romans 8:31 says, If God is for us, who can be against us? It is time to decide to walk in victory dear friends!!!! Ps. 60:11-12 says, Help us defeat our enemies! No one else can rescue us. You will give us victory and crush our enemies. Thank you Lord that we are not in this battle alone and that you are the one who destroys our enemy which allows us to walk in victory!!!

I just wanted to remind each of us that we must stand together as the men's walk approaches. Do not be moved by what is seen, but keep your faith in the things that are unseen. It is of most importance that we go into battle for our upcoming walks and to REMEMBER that God WILL have the VICTORY!!! Billy Ray and his team are trusting us to fight this battle with them and that is exactly what we are going to do!!

The walk is just a few days away. Please come to as many of the weekend events that you can. The walk begins on September the 9th, with send-off at 6 pm. Candlelight is Saturday, September 11th at 8pm and closing is Sunday at 3:30pm.

This month our community meeting will be at the Calvary Baptist Church in Brownfield on September 21st. The board will meet at 6pm, the babe-chicks at 6:30 and the community meeting will begin at 7. We will have the honor of hearing about their own personal victories from the walk and what God is doing in their 4th days.

Remember to put on your armor and I will see you all at candlelight on September 11th!!

In the Mighty name of Jesus,
Monte Moore

God's promise is that He will work in us to will as well as to do of His good pleasure. This means, of course, that He will take possession of our will and work it for us and that His suggestions will come to us, not so much commands from the outside as desires springing up within. They will originate in our will. We shall feel as though we desired to do so and so, not as though we must. And this makes it a service of perfect liberty; for it is always easy to do what we desire to do, let the accompanying circumstances be as difficult as they may.

Every mother knows that she could secure perfect and easy obedience in her child if she could only get into that child's will and work it for him, making him want himself to do the things she willed he should. And this is what our Father, in the new dispensation, does for His children; He "writes his laws on our hearts and on our minds." is that our affection and our understanding embrace them, and we are drawn to obey instead of being driven to it.
