## Terry's Letter

Hello Community,

It sure seems these newsletters roll around a lot quicker now that I'm the one having to write them! I'm pretty sure I just did this for March and here it is already April...whew.

As I was praying and thinking about what I wanted to share here, the term "Just passing through" kept coming up. We had a visitor here in Brownfield this month, a "young" man, who was 76 years old who was "just passing through" town. He was on his way from the west coast to the east coast traveling by covered wagon pulled by 2 mules. He covered about 10 to 12 miles a day with those mules. He shared that it's not about hurrying to your destination, it's about the journey. He knew where his final destination was, and he made the most of the journey getting there. We were blessed to get to visit with him during his stay here. We also lost a young man from Brownfield this week; he died in a 4 wheeler accident. This was a young man who lived his life for Christ everyday of his life. At his funeral I was thinking that he too, knew his final destination and he made the most of the journey getting there. It just made me think. We are all "just passing through". The preacher at the funeral stated that we all just get one pass at this life. Praise God we know where our final destination is and we want to make the most of the journey getting there! Jesus sure did!

May we all be mindful what this month really brings. I love watching my granddaughter hunt Easter Eggs, but I want her to know why we celebrate Easter. "He isn't here; He is risen from the dead, just as he said would happen. Come; see where his body was lying. And now go quickly and tell his disciples that he has risen from the dead." Matthew 28: 6 - 7 And I thank God we serve a risen Lord!

We look forward to seeing everyone at Community this month. It will be at FBC, O'Donnell on Tuesday, April 19th, same times on everything. Please continue to keep Teresa Howard and her team in your prayers, and the pilgrims too, as everyone prepares for what God has in store for them! Also, Mike Miers has met with the Team Selection Committee and he will be making contacts to get his team filled, so they can begin their preparation for his upcoming walk in September.

Continue to pray for rain. It's gonna happen, and when it does we'll be sure to give God all the glory!

May God bless each of you and I look forward to seeing you all on the 19th!

Terry
